Dog and Cat of the Month

Fancy wants nothing more than a love and a home! She is a wonderful 4 year old American Bulldog, sweet with people and eager to learn. Sadly, she grew up in a kennel and needs additional

socialization skills and might be best being the only dog in the home. The cuddles and love you will receive from her will be more than worth it! She is a smart dog and with understanding of her past she can be trained to be a good citizen quickly.

Chance is an 8-year-old charmer who was found wandering the street when he was 6 months old. He stayed with his owner

for many years and bonded with her Golden Retriever. Sadly, Chance lost his "big brother" last December, and now he has lost his home. This stunning orange tabby dreams of having a home of his own again. Chance is a very affectionate and outgoing cat, but he does need to be in a home without other cats and without small children (or small dogs). Please take a chance on this charming cat.

Happy Tails - Adoptions

Biggie and Smalls

sadly lost their home when their dad died and they landed in the shelter. They had spent their entire lives together and didn't want to be separated. They were adopted TOGETHER at our Spring Basket & Bag Bingo event! Congratulations, Biggie & Smalls!

Diamond

came to Chesapeake Cats and Dogs in June 2016, when her owner was placed in a nursing home and there was no one who could care for her. Exuberant and friendly, Diamond was adopted on St. Patrick's Day! Here's an update: *"Just wanted to share with you a few photos of Diamond with her new family. She took to the new place right away and now has two very devoted friends. My parents' kitty passed away after 17 years, so Diamond is exactly what they needed!"*
